Disclosure Chart	If the price can change, how will it change and by how much?	The average prices shown above may change during the contract term only under the following circumstances: to reflect actual changes to the AEP Texas North charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.
	What other fees may I be charged?	Fees not included in price above: Disconnect Notice Fee: \$10; Insufficient Funds Fee: \$35; Disconnect Due to Non-Pay Fee: \$25; Late Payment Penalty: 5% of past due balances; please refer to the Non-Recurring Fees and Charges section of Terms of Service for a full listing of non-recurring fees.
	Is this a pre-pay or pay in advance product?	No
	Does Chariot Energy purchase excess distributed renewable generation?	Yes; under this plan, if you generate electricity that is sold back to the grid, Chariot Energy will buy it back from you. For details on the program, visit: www.mychariotenergy.com/solarbuyback
	Renewable Content	This product is 100% renewable.
	Statewide average for Renewable Content	35.2%
