	<ul> <li>The average prices disclosure is an example based on average monthly kWh usages indicated above. The actual price you pay will vary based on your actual usage and is calculated based on the amounts defined in the table above. The average prices shown above reflect all recurrings charges, excluding state and local sales taxes. Some areas subject to a Lubbock Power and Light underground Facilities and Cost Recovery Charge authorized by the city that is not included in the price above. See Lubbock Power and Light tariff for a list of cities and authorized charges.</li> <li>If you generate and export more energy to the grid than your home consumes (Excess Energy Exported), you will get a bill credit for the amount of net excess energy exported (Excess Energy Credit), based on your utility meter data. You will get an Excess Energy Credit on your bill based on the excess number of kWh exported multiplied by your contracted fixed energy-only rate. This plan is for customers who consistently generate approximately the same amount of kilowatt hours they consume. Net exporters, which are customers who consistently generate more than they consume, do not qualify for this plan.</li> </ul>
